## New Mexico Advancement to Level III Teacher Licensure Superintendent Letter

### Strand D Verification:

Name of Level III Candidate: \_\_\_\_\_

The above-named candidate for Level III Teacher Licensure in the State of New Mexico has successfully completed three years of successful teaching at Level II and compiled a Professional Development dossier. The work product in the dossier is that of the teacher, and the data submitted are accurate.

It is my recommendation that the Superintendent of the Hobbs Municipal Schools, verify the authenticity of the candidate's dossier as needed in Verification Strand D of the New Mexico Professional Development Dossier.

Principal's Signature

### Strand E Evaluation:

The above-named candidate for Level III Teacher Licensure in the State of New Mexico is being recommended based on the following:

- 1) Quality and completion of his/her professional development plan,
- 2) verification that measurable objectives were achieved, and
- 3) Principal's annual observations of the candidate's classroom practice for at least two years prior resulting in satisfactory evaluations.
