

Workshop 6 Dossier Activities:

_____ After teaching your lesson, choose examples of high, mid-range and low achievement from your student work.

_____ Complete **Analysis of Student** work for each student

_____ Collect copies of resources to be submitted for Strand A. These are materials that you are using for instruction (photocopies, pictures, models, video, etc.) These resources should represent a variety of teaching and learning styles.

_____ Using jump drive, continue working on the Strand A questions. Remember to refer to your Writing about your Teaching Experiences handout as a guide.
