

HMS Safety Protocols

All students, staff, and visitors are required to **wear a mask** while at school

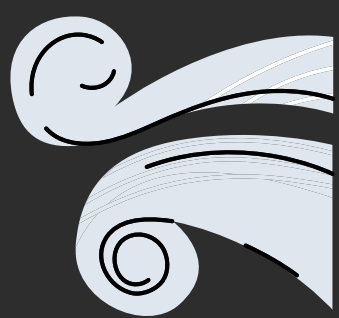

All students and staff must **complete a digital health screening from Ruvna** before entering the building (more information to come)

Hand sanitizer is placed throughout the buildings and teachers will schedule **regular hand washing** reminders

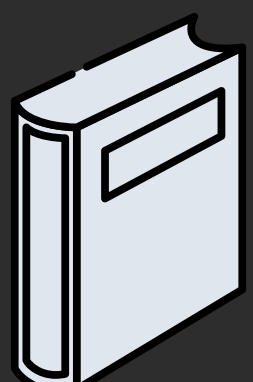

Surfaces disinfected after each class period by teachers, custodians, or students (under teacher supervision). Campuses will be deep cleaned on Wednesdays

Increased ventilation by adjusting air conditioning and installed specialized air filters

25% of staff are tested at random every week

In order to limit the number of surfaces being touched, **students will not use textbooks or lockers**

Limit crowds and large groups

School staff will **direct the flow of traffic** through hallways and stagger the release of classes

Desks are **spaced 6 ft apart** and facing the same direction

Students will eat lunch in the cafeteria **spaced 6 ft apart** and facing the same direction

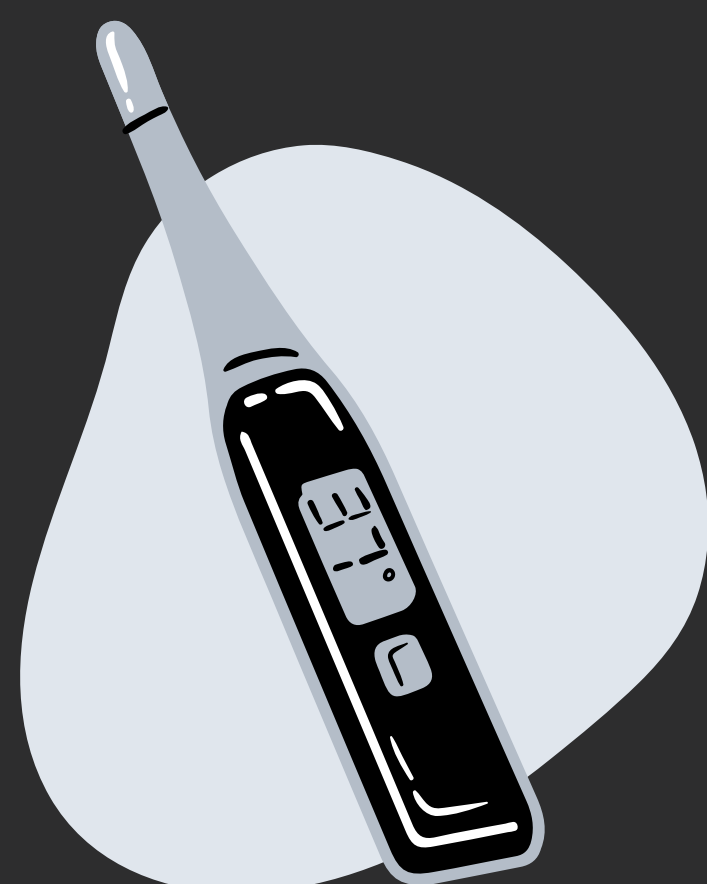

Students will use **designated entrances** to enter and exit the building

Buildings are limited to 50% capacity. Students will attend in-person class either Mon. Tues. or Thurs. Fri.

Stay home if...

- You are **feeling sick**
- **Contact your school nurse** if you have any questions or concerns

If a student or staff member tests positive...

Parents whose child has been in contact with the positive individual will be notified directly. Students and staff who have been in direct contact with that person will need to quarantine at home for 14 days
