August 3, 2020

Welcome Back!

Attached you will find Monday and Tuesday's student work packets. Wednesday, Thursday, and Friday's work packets will be located on the Hobbs Schools website at [www.hobbsschools.net](http://www.hobbsschools.net) under the Middle School, Freshman School, & High School Resource button. These packets are in both English and Spanish. These packets have work that is assigned for August 10 – 14, 2020. These packets include valuable information for your student to be a successful online learner and tips from their teachers that will provide directions on how to move around in the google classroom system.

Please take a moment to look these over and do the assigned tasks within each packet. There are two packets per day for each student to complete.

If you have any questions, please feel free to reach out to your principal at your school. Once again welcome back!

Sincerely,

*Donna Jones*
