

Workshop 4 Dossier Activities:

_____ Check draft lesson plans, rubric and assessments and rewrite if necessary. Other teachers will look at this document at our next meeting.

_____ Consider how you plan to keep accurate records of your 3-5 hour segment for the instructional record. *Be sure to document what you did and why you did it.* **Reflective Teaching Journal Worksheet**

_____ Collect copies of resources to be submitted for Strand A. These are materials that you are using for instruction (photocopies, pictures, models, video, etc.) These resources should represent a variety of teaching and learning styles.

_____ For workshop 5, be ready to trade your lesson plan with another participant in this workshop for peer assessment.
